We were given duff information in the Newsflash that went out earlier today.

AWPF Workshop – A workshop offering guidance to those who are considering applying for their AWPf distinction will take place on **May 10th 2015**, at Talbot Green community centre, doors open at 10am. The advisory workshop is a good opportunity to see past successful panels and receive personal one-to-one guidance on your work and the standard required. This is a free event. Tea and coffee will be provided, but it is recommended that you bring a packed lunch. Looking forward to seeing you there.
